# THE SHOW

From the writer/performer of **BOARDWALK! The Doo-Wop Show** and the award-winning **Chutzpah à Go-Go**, comes a delightfully irreverent tribute to the Emerald Isle that is guaranteed to set your toes tapping!

The story of 3 busking musicians who are trying to raise enough money to get back to Ireland to honour their best friend, **THE ROCKY ROAD TO DUBLIN** is a unique entertainment that blends Irish music and comedy in a crowd-pleasing, critically-acclaimed, laugh-filled celebration for all ages.

It's always a party when this trio of entertainers perform their foot-stomping songs on guitar, fiddle, flute, banjo, accordion, mandolin, piano, bodhran and tin whistle, blend in lots of audience participation and top it off with their own special brand of humour.

Feel free to clap your hands, sing along and have a grand old time as they take you along on a trip to the **Flying Pig Pub**, where we're all friends and family.

And remember, if you're lucky enough to be Irish, then you're lucky enough!
